1. In reply to your request contained in reference A, Headquarters regrets to inform you that procurement of the power lawn mower can not be authorized. In this regard, your attention is directed to Part III, paragraph 767.3 of reference B, the tenor of which indicates that expenses involved in the care of grounds, walks, gardens and lawns up to an area of three-quarters acre is the responsibility of the individual occupying a residential unit provided by ODYKAR. Your attention is further directed to the fact that a lawn mower is not listed as an item authorized for issue in the "Table of Allowances, Furniture and Furnishings", of reference C.

2. The policy contained in reference B, has been adopted by KUBARK to cover situations of the type at hand, since such situations are not otherwise provided for in KUBARK regulations.
